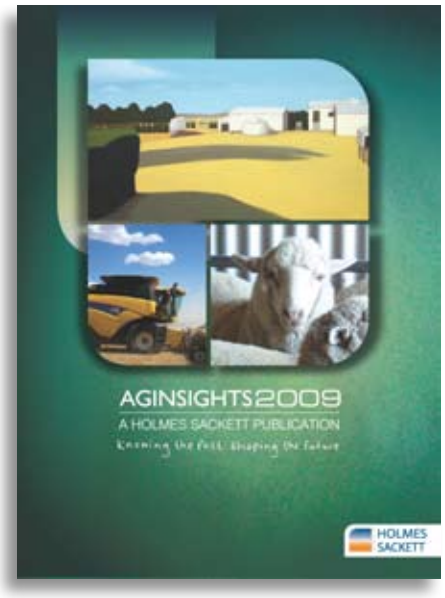
2009 AgInsights

Knowing the Past : Shaping the Future

Order Form



$264.00 (GST Inc)

AgInsights 2009 reports on the variation of enterprise productivity and profits and why these differences appear, allowing you to make more valuable decisions within your business and shape a better future in broadacre agriculture.

AgInsights 2009 is for anybody who needs to come to grips with the principles that drive high profit agriculture.

AgInsights 2009 is widely acknowledged across the entire agricultural sector, from producers to input suppliers and bankers to academics; as a valuable agricultural resource and annual industry yardstick.
